Golf NSW held a presentation Road Show at Narooma on Tuesday August 20, 2019. Colleen Bennett, Wendy Rhodes and John Gardner attended what was a very informative day, gaining first hand knowledge on the new handicapping system to be introduced next January yes another one! Although, not a lot will change from our current system. A lot of valuable information such as governance and Golf NSW Member Services was also covered. Fun was had during the afternoon as we took to the course to play a Texas Scramble. Wendy, teaming up with the CEO of Golf NSW, Stuart Fraser was part of the team to take the runners-up prize.
