## SUPPORT FOR THE FAR SOUTH COAST

It is great to see so many visitors around supporting our beautiful town.

It is obvious that the campaigns to entice everyone back to the Coast is working. The Club has benefited with good Trading over the past month and prospects of continued support are strong having taken a number of group bookings for golf days from as far a field as New Zealand.

We are proud to have continued our support of community projects and in particular the patrolling of our beaches until the end of February.

There is a great deal of optimism as we look forward to the coming months, showcasing our town, our cafes and our wonderful facilities.

GREAT TO HAVE THE MOUTH OF THE RIVER OPENED AT LAST. FROM FIRES TO FLOOD!

RAPIDLY RISING WATER RESULTED IN THE COURSE FLOODING IN A MATTER OF HOURS. AT 7AM THERE WAS NO WATER OVER THE ROAD AND BY 8AM THE ROAD WAS CLOSED. PETER SMITH SAID THAT THE WATER WAS RISING QUICKLY OVER THE COURSE AND ANTICIPATED THAT THE 3RD GREEN WOULD BE UNDER WATER BEFORE LUNCH. A TRUE PREDICTION.

THE COURSE HAS RECOVERED REMARKABLY WELL AND IS IN FIRST CLASS CONDITION.

THANKS PETE AND DEAN FOR TAKING SUCH GOOD CARE.
