STATE OF ORIGIN JUNE 5TH

Yes it's on again next Wednesday night at the Club with the legendary Tathra Lions Club "Pie Peas and Potato" night as well as the first game of the State of Origin series with NSW taking on that team from north of the border (whose name the beer whisperer said we are not allowed to mention). The club bus will also be running to get you to and from the club (contact Club on 6494 1220 to arrange) with all members and visitors welcome to come along for a food feast and footy fun.

Congratulations to Scott Taylor Men's Golf Club Champion for 2019.

Handicap went to Adam Crain in A Grade.

B Grade was won by Lyall Brens with John Gardner claiming the Handicap Honours. C Grade was won by Bill Richmond with George Kennaugh taking out the Handicap.

Men's Golf also staged their 2 Ball Ambrose Championships in May. Scratch Winners Scott Taylor and Tim Carroll while Tony Carroll and Bill Taylor won the Handicap.

The Lady Golfers trialled a new short course with some great scores. Application will now be made to Golf NSW for an official course rating before it can come into play officially.
